## Secure Ribbon Shredder 1000

IS YOUR DATA  
SECURE?

### Security Assurance

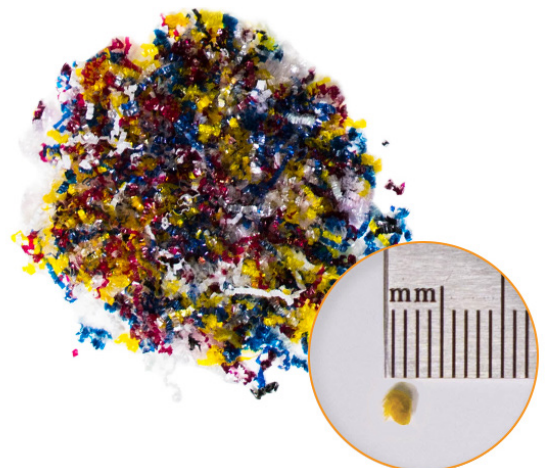

Protecting personal information is paramount which is why the PPC ARS1000 is specifically designed to ensure the secure destruction of used ID Card Printer Ribbons that have sensitive information on them.

### Complete Shredding

With Twisted Micro-Cut Technology, the ASR1000 uses unique twist and cut motions to completely shred ID Card Printer Ribbon panels into tiny unrecognisable particles.

### Smart Design

ASR1000 is compact and light weight in design so that it will easily fit into any office desktop environment. The waste bag will ensure complete capture of ribbon particles and a simple transfer to a waste bin.
